

# Painting Workshop Supply List

Leigh will be painting in acrylics. Artists working in watercolour and pastel are welcome, but due to health and allergy issues, Leigh will not be able to accept students working in oil paints in the group.

Leigh's preference in acrylic paints for painting outdoors are the Golden Open brand. Your first lesson in purchasing paints will be this: please select the colors recommended below exactly. Do not be tempted to buy the lesser expensive "hues" of these colors, as they are greatly diluted, and you will not get the rich results desired. The paints can be ordered from Dick Blick at [www.dickblick.com](http://www.dickblick.com).

Try to keep your supplies compact and easy to carry, since we may be walking 50 yards or so from your car to the painting site. If finding, affording, or traveling with an easel is problematic, or you are just not ready to invest in one, I have a few French easels to rent for \$15.00/day. Since I have such a limited number of easels, please be sure to let me know if you'd like to rent one as soon as possible!

If you have any questions or concerns, feel free to contact Leigh at [leegee@newmex.com](mailto:leegee@newmex.com) or call or text at 575.779.5214.

Looking forward to painting with you!
